LOCAL DERBY WANDERERS v BLACKPOOL

Following a request from our Police and lengthy discussions, the Club has agreed that the Kick-off time of our match against Blackpool at Burnden Park on Easter Monday, the 31st March, 1986 will be 11.00 a.m.

The Football Association and The Football League have recently issued a joint revised Memorandum on Crowd Management which outlines in detail recommendations and precautions to be taken by Clubs when staging matches. Special mention has been made of "Local Derbies" and the possible crowd problems which could occur and to ignore the recommendations made by the Police would leave the Club extremely vulnerable and subject to Football Association discipline, should there be any incidents either at the game or in the town as a direct result of staging the match.

It is Bolton Wanderers sincere hope that our supporters will understand and appreciate the reasons for the change of Kick-off time and come down to Burnden Park to enjoy this Bank Holiday fixture.

As The Football Association have stated "The eyes of the World are on us". Let us show them that Bolton Wanderers fans know how to enjoy their Sport.

BRISTOL ROVERS

NOW ROVERS PLAN TO IMPROVE LEAGUE FORM

by Tony Pullein

Now that the F.A. Cup excitement is over for Bristol Rovers, manager Bobby Gould is anxious to see his side reproduce the same sort of fighting form in League games. At the moment they are in danger of relegation but at least they can now devote full attention to improving the situation.

Mr Gould started his second spell as Rovers' manager last summer. He had previously been in charge from 1981 until 1983 when he left to take over at Coventry City. When he returned to Eastville, Mr Gould took with him defender Andy Spring. He also signed another defender, John Scales, who had previously been with Leeds United. Welsh international midfield man Byron Stevenson was signed from Birmingham.

Another newcomer to the Rovers' side this season is former England skipper Gerry Francis who, besides being a big influence in midfield, is also putting in a lot of work behind the scenes on the coaching side.

Rovers made a very poor start to the season, failing to win any of their opening six League games. By mid-October they were dangerously close to the relegation zone and, though the position has since improved a little, Rovers are still in danger of dropping into the Fourth Division for the first time in their history.

After recovering from their poor start, Rovers won three away games at Wolves (4-3), Swansea (1-0) and Doncaster (2-0) but they haven't won away in the League since October 19. Their only other away point was collected from Darlington (3-3) on the opening day of the season.

They were beaten at Reading (2-3), Newport (0-3), Plymouth (2-4), Bournemouth (1-6), Blackpool (2-4), Brentford (0-1) and Wigan (0-4).

In the Milk Cup, Rovers disposed of Newport County by 2-1 on aggregate in the first round and then took on First Division Birmingham City. They were beaten in both legs — 2-3 at Eastville and 1-2 in Birmingham.

But they enjoyed a good run in the F.A. Cup. They scored good away wins

at Brentford (3-1) and Swansea (2-1) in the opening rounds and then produced their best performance of the season to defeat First Division Leicester by 3-1 at Eastville.

Their Cup hopes came to an end in round four at Luton, where they went down 0-4.

It's now almost five years since Bristol Rovers lost their Second Division status. After finishing among the top six for the past two seasons, it had been hoped they might have got back again this year but their poor start placed a millstone around their neck and the aim now is to move to a place of safety and launch a promotion bid next term.

The club was founded at The Black Arabs in 1883. The title was changed to Eastville Rovers a year later and in 1898 they adopted their present name.

Rovers joined the Southern League in 1899, winning the championship in 1905. When the entire First Division of the Southern League was taken over by the Football League in 1920, Rovers became founder members of the Third Division (South).

Prior to the Second World War, Rovers' best season was 1933/34 when they finished seventh. But the pre-war era closed upon their worst-ever season when they finished bottom in 1939.

It was in the early 'fifties when Rovers hit their peak. They charged their way into the quarter-finals of the F.A. Cup for the first time in 1951. In the sixth round they drew away to then-mighty Newcastle United, only to lose the replay 1-3 on their own ground.

After winning promotion in 1953, Rovers enjoyed a nine-year spell in Division Two. That was the era of their no buy-no sell policy when they developed their own players and held onto them.

Players like Harry Bamford, Ray Warren, who played in every position except goal, and Geoff Bradford were the Rovers' stars of the time. Bradford, who was capped by England, still holds the club record of 245 League goals.

Their Second Division days came to an end with relegation in 1962 but 12 years later they fought their way back

again. This time they survived for seven seasons, ending with their most recent relegation in 1981.

RON GREEN (Goalkeeper). Ron joined Walsall from Alvechurch and made his League debut in 1978. In 1981 his penalty save in the closing moments of their final match saved the Saddlers from relegation to the Fourth Division. He moved on to Shrewsbury in 1984 but, after only a few weeks, signed for Bristol Rovers.

ANDY SPRING (Defender). Andy served his apprenticeship with Coventry and made a brief debut as substitute two seasons ago. He played a few times in the Sky Blues' First Division side last season and joined Rovers in the summer.

JOHN SCALES (Defender). John played only Rugby until about three years ago when, after a successful schoolboys' trial, he was signed by Leeds. He didn't make a lot of progress at Elland Road, though, so he moved on to Rovers last summer. He has now established himself in their first-team.

NICK TANNER (Defender). Nick is a local lad who developed in the junior teams. He made his League debut at Darlington on the opening day of this season and has since played both in defence and midfield.

TIM PARKIN (Defender). Tim got a few outings in Blackburn's first-team in the late 'seventies and then went to Sweden to play for Malmoe and Almondsbury. Rovers signed him in 1981 and he has since been a fixture in their defence.

VAUGHAN JONES (Defender). Vaughan re-joined Rovers last season. Earlier, he had served his apprenticeship at Eastville and, after entering League football in 1977, won two Wales under-21 caps. In 1982 he joined Newport County, remaining for two years until signing for Cardiff City where he remained until going back to Eastville.

Back Row: Ian Weston, Lee Portch, David Mehew, John Scales, Andy Spring, Lee Howells, Mark O'Connor.
Middle Row: Ray Kendall, Paul Randall, Nicky Tanner, Ron Green, Tim Parkin, Tim Carter, Trevor Morgan, Byron Stevenson, Harold Jarman.
Front Row: Steve White, Wayne Noble, Vaughan Jones, Bobby Gould (Manager), Phil Bater, Gerry Francis, Gary Penrice.

PHIL BATER (Defender). Phil is also in his second spell with the club and he, too, was capped twice by the Wales under-21s. He quickly established himself in the Rovers' side after making his League debut in 1974 and he totted up more than 200 games before moving on to Wrexham for £50,000 in 1981. When he returned to Eastville in 1983, Rovers completed the deal for £10,000.

GARY PENRICE (Midfield). Gary is a former Rovers' apprentice who was given a few outings in Rovers' Third Division side last season. He has now won a regular place.

BYRON STEVENSON (Midfield). Byron was signed from Birmingham last summer. He started his League career with Leeds in 1975 and, though he was often unable to get into the first-team, he became a regular member of the Wales national team. He now has 15 caps. He moved on to Birmingham in an exchange deal in 1982.

GERRY FRANCIS (Midfield). The former England captain is helping Rovers both as player and coach. He made his name with Q.P.R. in the early 'seventies and, after being drafted into the England team by Don Revie, was quickly appointed captain. But, when

he had won 12 caps, he received a serious injury which threatened to end his playing days. Fortunately, he recovered and in 1979 Crystal Palace signed him for £465,000. He returned to Q.P.R. two years later for £150,000 and in 1982 moved on to Coventry for a similar fee. He spent 1983/84 as Exeter City's player-manager but he moved on last season to play for Cardiff, Swansea and Portsmouth. He went to Eastville this season.

MARK O'CONNOR (Midfield). Mark began his League career with Q.P.R. as a defender, making his League debut against Chelsea on Boxing Day in 1981. Subsequent first-team chances were rare, though, so he was happy to spend the whole of 1983/84 on loan to Exeter. He joined Rovers during the 1984 close-season and hasn't missed a game since his arrival.

TREVOR MORGAN (Forward). Trevor joined Rovers from Exeter in September and, in one early spell, hit eight goals in five games — including a hat-trick against Rotherham. He is now their leading scorer, with 13 goals before last weekend's game. He originally played League soccer for Bournemouth in 1980 but he moved on to Mansfield a year

later. When the Stags fell behind on instalments of his fee, he returned to Bournemouth and was top scorer with 15 in 1983/84. Before that season was over, he was signed by Bristol City, remaining with them until signing for Exeter in 1984.

PAUL RANDALL (Forward). Paul quickly hit the headlines after initially joining Rovers in 1977, leading their scorers for his first two seasons. Stoke signed him for £175,000 in 1979 but he didn't meet with a lot of success at the Victoria Ground and returned to Eastville in 1981. He again led their scoring list in his first two full seasons and last season he was best marksman yet again with 22.

STEVE WHITE (Forward). Steve is yet another player who returned to Eastville for a second spell. He made his debut for them in 1978 and made such a big early impression that Luton signed him for £175,000 in 1980. Though he scored 18 goals for the Hatters in 1981/82, he was transferred to Charlton at the end of the campaign in part exchange for Paul Walsh. Rovers signed him for £45,000 in 1983/84 and he had scored ten times this season prior to the weekend. Steve scored a hat-trick against Darlington last month.

CLUB NEWS

IN RETROSPECT

We welcome Bristol Rovers to Burnden Park tonight for the 20th Football League game between the clubs, which have all taken place in more recent history and at either Second or Third Division level.

The first meeting was at Eastville in October 1971 when Rovers won 2-0 in a Third Division game thanks to goals from Phil Roberts and Brian Godfrey. In February 1972 the only scoreless game between the clubs took place and the only draw at Burnden.

Bolton turned the tables the following season by drawing 1-1 at Bristol and registering their first victory over tonight's visitors in November 1972 when goals from Stuart Lee and John Byrom won the points.

There was only a gap of one season before the clubs met again, this time in the Second Division, each side winning at home. An Alan Warboys goal gave the 'Pirates' the points at Eastville whilst at Burnden Bolton registered a 5-1 victory. Bolton had failed to score in their previous three games but got it together against Rovers. John Byrom and Stuart Lee each grabbed a couple, while Hugh Curran was the Wanderers other scorer, Bruce Bannister was on the mark for the visitors.

The Wanderers continued to have the edge over the Rovers for the following three seasons by winning all the encounters at Burnden and drawing two and winning one of their visits to Eastville. Bolton's first League victory at Eastville was in November 1977 when an Alan Waldoron goal separated the sides and this game remains as the clubs only clean sheet in League visits there.

We again faced each other in season 1980/81 when Bolton won a dour game 2-0 at Burnden with late goals from Ashley Griffiths, who put through his own net and an Alan Gowling penalty. Wanderers former Irish centre half Gerry McElhinney made his debut for the club taking over from the injured Paul Jones.

Rovers gained revenge in February 1981, in the last Second Division game between the clubs, beating Bolton for the first time in nine attempts by 2-1. Bolton conceded an early goal for the third time in four games when Paul Randall scored after only two minutes. Alan Gowling snatched a 71st minute equaliser but two minutes later Randall grabbed the winner as the Wanderers became only the second club to lose to Rovers during that season which saw them relegated.

Season 1983/84 saw each side win their respective home games whilst last season the form book was turned upside down with each side winning on their travels. On the opening day of 1984/85 Rovers recorded their first ever League win at Burnden when Archie Stephens headed home a Mark O'Connor corner after 51 minutes that was enough to earn victory. A crowd of 4,469 saw these sides:-

Bolton: Farnworth, Borrows, Phillips, Joyce, Berry, Deakin, Thompson, Chandler, Oghani, Caldwell, Bell. Sub. Lodge.

Bristol Rovers: Cashley, Slatter, B. Williams, G. Williams, Parkin, McCaffery, Holloway, D. Williams, Stephens, Randall, O'Connor. Sub. Bater.

The return at Eastville saw the Wanderers win 2-1 to end their 10 month spell without an away win. The win gave Bolton their first away points of the season in dramatic fashion.

Tony Caldwell gave Bolton the lead after 13 minutes but Colin Randall equalised three minutes into the second half. In the final minute George Oghani was tripped by centre half Tim Parkin and Jeff Chandler stepped up to calmly convert the penalty to send Rovers to their first home defeat of the season.

Earlier this season Rovers won 2-1 at Eastville with goals from Steve White and Byron Stevenson. Sandwiched between was a Tony Caldwell goal, but the Wanderers were hampered by the loss of David Cross, with what turned out to be a fractured skull.

Our record against Bristol Rovers reads:

	PL	W	D	L	F	A
Home	9	7	1	1	19	3
Away	10	2	3	5	11	15
Total	19	9	4	6	30	18

IN RESERVE

22nd January 1986

Middlesbrough Res. 6 Bolton Res. 0

Middlesbrough reserves handed out a lesson in how to finish as the Wanderers went down to their heaviest defeat of the season.

Their first goal came after only four minutes when Gill headed home a left wing cross after young keeper, Keith Welch, failed to collect the cross after committing himself.

Welch made amends with a fine save from Beagrie but could do little about Boro's second goal after 27 minutes. Cook volleyed home a cross which took a deflection on its way into the net and three minutes later the Bolton defence was found wanting when Kernaghan headed home the North Easterners third goal.

Boro completed a spell of three goals in five minutes when Cook completed the move of the game culminating when he headed home a Kernaghan flick on.

Bolton's chances were few and far between with the best efforts coming from Paul Allen whose shot was saved, and Sam Allardyce whose flying header went over the bar.

After 58 minutes, Cook was on a run through towards goal and was tripped up in the penalty area by George Shepherd. Cook completed his hat trick by converting the kick and after 70 minutes Currie completed the rout after a mistake in the Bolton defence.

Team: Welch, Shepherd, Fitzpatrick, Thompson, Winstanley, Allardyce, Walker, Allen, Entwistle, Darby, Mullineux. Sub. Hughes for Entwistle.

Junior Whites News

Tonight's mascot is Martin Bratherton of Newbury Road, Little Lever. Martin is 11 years old and attends St Augustins School. He plays for the school team and his favourite players are Asa Hartford and Steve Thompson.

Don't forget the next Junior Whites meeting will take place next Monday the 10th February 1986 in the Executive Suite at 6.30 p.m.

Down memory lane

15 years ago 6th February 1971. The Wanderers crashed 3-1 at Swindon Town to put themselves into deep relegation trouble. Charlie Hurley returned to the side for his first game in almost two months, replacing the injured John Hulme. Peter Noble grabbed a hat trick for the Wiltshire side whilst Bolton's goal came as a consolation in the 88th minute, when Roger Hunt headed home a Garry Jones cross.

On the same afternoon 16 years old Sam Allardyce made his Central League debut in a 1-1 draw with Nottingham Forest at Burnden.

During the week Olympic athletic Joe Lancaster was called in to boost the club's training programme and Lancashire County Cricket Club announced they would be playing at Burnden as part of Eddie Hopkinson's Testimonial.

John Byrom travelled to London to play for Crystal Palace against PSV Eindhoven with a view to a permanent move.

13th February 1971. Promotion candidates Middlesbrough won 3-0 at Burnden to leave the Wanderers in 19th position but with other clubs around them with games in hand. Joe Laidlaw opened the scoring for the visitors and Derrick Downing netted the other two either side of half time.

John Byrom returned to the Wanderers without any transfer talks taking place at Crystal Palace. He played in the first half against Eindhoven making the first goal in a 4-2 defeat, former Wanderer Terry Wharton scoring the second from a penalty.

10 years ago 31st January 1976. A frozen pitch prevented the game with Oxford United going ahead at Burnden.

7th February 1976. Bolton went to the top of the Second Division thanks to a 1-0 win at bottom club Portsmouth.

It was an off key Bolton performance with the winning goal coming in the 40th minute, a John Ritson shot, going into the net off Portsmouth centre half Paul Went.

14th February 1976. Bolton returned from a break in Torremolinos to face Newcastle United in an FA Cup 5th round tie at Burnden.

An all ticket crowd of 46,584 were treated to a thrilling tie which ended in a 3-3 draw. Sam Allardyce headed the Wanderers into the lead after only five minutes, but on the half hour, Malcolm Macdonald equalised after outpacing the Bolton defence. Just before the break Macdonald put United in front with an unstoppable spectacular bending volley.

Garry Jones made it 2-2 after 51 minutes capitalising on some poor defensive work and eight minutes from time Alan Gowling fired the visitors into the lead with his 22nd goal of the season. Three minutes later the Wanderers dramatically equalised when Paul Jones met a Roy Greaves corner to power a header past Mike Mahoney to end a memorable game.

5 years ago 3rd February 1981. The Wanderers youth side went out of the Lancashire Youth Cup on penalties at the hands of Manchester City at Burnden. The referee amazingly led the players off after extra time of the scoreless game, only to bring them back on ten minutes later to have the penalties shot out after realising his slip over the rules.

Although the game was scoreless it was full of incident with City's coach Tony Scott and Andy May being sent off and Bolton keeper Gary Walker carried off with a rib injury, striker Wayne Foster took over in goal but couldn't prevent City scoring all their penalties to win 5-3.

7th February 1981. Bolton came from behind to defeat Cardiff City 4-2 at Burnden. City took the lead after only two minutes, through John Buchanan but the Wanderers fought back well with John Thomas grabbing two well taken goals. Phil Wilson scored a third before Dusan Nikolic with his first League goal, rifled an unstoppable shot past Ron Healey for the goal of the game.

Cardiff scored a second through Buchanan but it was too late to stage a recovery.

CLUB NEWS

CONTINUED

Caldwell's half Century

Tony Caldwell's last minute goal at Edgeley Park against Stockport County not only kept Bolton's interest in the competition alive but it was the 50th time he has found the net for the club.

Tony's breakdown of appearances and goals for Bolton up to and including the Stockport game is as follows:

	Apps.	Goals
Football League	82 + 5s	40
FA Cup	3	1
League/Milk Cup	7 + 1s	4
Associate Members/ Freight Rover Cup	7	5
Total	99 + 6s	50

An average of one goal every two games is the ambition of most strikers and although Tony has been going through a goal famine lately, he celebrated his 100th appearance for the club with the first goal against Walsall. The victory took the Wanderers overall League points total over the 3,500 mark.

LIFELINE SOCIETY

Burnden Lifeline Society Members had another superb evening at the Pembroke Halls on Saturday the 25th January 1986 as extracts from the letter below records: —

May I take this opportunity to thank everyone involved in the Bolton Wanderers Lifeline Gala Night, held on Saturday at the Pembroke Halls. It was a fabulous night, the entertainment being superb. The Dooleys were tremendous, with the supporting acts being equally as good. The whole night was well organised, entertaining success. Well, done!

Whilst I'm writing this letter to you may I say, never I'm sure has a wife (of 15 years) like me suffered so many "early kick-offs" i.e. Sweet Green Tavern no later than 12 o'clock and "extra-times" played until my husband deemed fit to return home. I know he and his friends (all in the 30 to 40 year old bracket) sadly miss the embankment and, under the 'Waiby's' sign. These lads are your true fans, who follow every match, good or bad, just for the sheer enjoyment and love of the game, not to cause trouble. My own six year old son has the middle name of Byrom, named after the one and only John Byrom, so you can guess how devoted my husband is to the Wanderers. The running order of our house is: —

1. Bolton Wanderers
2. The Kids
3. and Me in that order!!!

So please keep up the good work at Lifeline, and everything else involved in keeping Bolton Wanderers alive and kicking!

Yours

Mrs Barbara Taylor
(Football widow!!!)
